Hotel information

Travel Planners is the official housing service for Dealer Expo 2011. Please visit **www.dealerexpo.com** for instructions on how to reserve your hotel room(s).

Reservation tips:

Don't overbook. Reserve only as many rooms as your company will actually need. Overbooking slows the process down for everyone.

Be patient. More than 10,000 individual room reservations are being made at this time.

Use the waitlist. It works! If you don't receive your first housing choice, make sure you're placed on the waitlist after making your reservation(s). *Remember: you must have an existing reservation in order to be placed on the waitlist.*

NOTE: *Free shuttle service will be provided between these official airport and Keystone Crossing hotels and the Indiana Convention Center. The shuttles will run Friday through Monday. Shuttle schedules will be available at the front desk of each hotel, as well as in the Convention Center.*
